Through your enrollment in or use of each Service, you agree that we reserve the right to request a review of your credit rating at our own expense through an authorized bureau. In addition, in accordance with our Privacy Policy, you agree that we reserve the right to obtain personal information about you, including, without limitation, financial information and transaction history regarding your Eligible Transaction Account. You further understand and agree that we reserve the right to use personal information about you for our and our Service 'Providers' everyday business purposes, such as to maintain your ability to access the Service, to authenticate you when you log in, to send you information about the Service, to perform fraud screening, to verify your identity, to determine your transaction limits, to perform collections, to comply with laws, regulations, court orders and lawful instructions from government agencies, to protect the personal safety of subscribers or the public, to defend claims, to resolve disputes, to troubleshoot problems, to enforce this Agreement, to protect our rights and property, and to customize, measure, and improve the Service and the content and layout of the site. Additionally, our Service Providers and we may use your information for risk management purposes. We may use, store and disclose your information acquired in connection with this Agreement as permitted by law, including (without limitation) any use to effect, administer or enforce a transaction or to protect against or prevent actual or potential fraud, unauthorized transactions, claims, or other liability. Our Service Providers and we shall have the right to retain such data even after termination or expiration of this Agreement for risk management, regulatory compliance, or audit reasons, and as permitted by applicable law for everyday business purposes. In addition, our Service Providers and we may use, store and disclose such information acquired in connection with the Service in statistical form for pattern recognition, modeling, enhancement, and improvement, system analysis, and to analyze the performance of the Service.
- 6. Mobile Subscriber Information.** You authorize your wireless carrier to disclose information about your account, such as subscriber status, payment method, and device details, if available, to support identity verification, fraud avoidance, and other uses in support of transactions for the duration of your business relationship with us. This information may also be shared with other companies to support your transactions with us for identity verification and fraud avoidance purposes.
- 7. Device Data.** We may share certain personal information and device-identifying technical data about you and your devices with third-party service providers, who will compare and add device data and fraud data from and about you to a database of similar device and fraud information to provide fraud management and prevention services, which include but are not limited to identifying and blocking access to the applicable service or Web site by devices associated with fraudulent or abusive activity. We and our third-party service providers may use such information to provide similar fraud management and prevention services for services or Websites not provided by us. We will not share with service providers any information that personally identifies the user of the applicable device.
- 8. Security and Confidentiality of Financial Information.** The Digital Banking Service requires a computer or approved mobile device and internet access connected through an internet or mobile service provider with a Web Browser. To protect your financial information, you must connect to Digital Banking using an Internet browser that supports a minimum Transport Layer Security ("TLS") of 1.2 and 256-bit encryption. Use of the Digital Banking Service with lower than TLS 1.2 is strictly prohibited. To the extent

that you can access the Digital Banking Service using less than TLS 1.2, we specifically disclaim any and all responsibility for losses resulting from your use of such inadequate encryption.

You should always sign off after every online session. Sessions will automatically end after ten (10) minutes of inactivity for security protection. We cannot ensure the security of public computers (e.g., in a library or school); therefore, we recommend that you refrain from accessing the Digital Banking Service on a public computer.

It is your responsibility to protect yourself and to be vigilant against email fraud and other internet frauds and schemes (including, without limitation, fraud commonly referred to as "phishing" or "pharming"). The Bank will never contact you by email to ask for or verify Account numbers, Security Tokens, or any sensitive or confidential information. Should you receive an email or other electronic communication that you believe is fraudulent, you agree to not respond to the email, provide any information to the email sender, click on any links in the email, or otherwise comply with any instructions in the email. To the extent allowed by law, you agree that the Bank is not responsible for any losses, injuries, or harm you incur from any electronic, email, or internet fraud.

Resource Bank and our Service Providers will not contact you via telephone or email requesting personal information, Access ID, or Passcode. If anyone requests this information, please contact us immediately at (985) 801-0120. Visit our Security Center page on our website at <https://www.resource.bank/security-center/> for educational information.

9. Service Availability. The Digital Banking Service is generally accessible 24 hours a day, seven days a week. It may be inaccessible for a reasonable period from time to time for system maintenance, internet connectivity, actions or inactions of third parties, emergencies, or other factors beyond our control. The Bank cannot guarantee that such events will not occur. We are not liable under this Agreement or any other agreement for failure to provide access.

10. Access Levels. The Bank has different access levels offered in the Digital Banking Service. If you are an Owner of a Consumer Account or an Authorized Signer on a Business Account, you are given Basic or Basic Plus Payments access.

A non-signer may be granted access to an Account when the Account Owner(s) completes the Digital Banking User Authorization Form ("Form"). A consumer account only requires the signature of one account owner, whereas businesses with multiple owners require a minimum of two owners' signatures.

Accounts opened as a "two-signature required" account for withdrawals or transfers may have access to the Digital Banking Service. You release the Bank from liability for any action taken on an Account by anyone authorized to act as a signer on the Account, even though the person's authority to act on the Account by other means must be exercised jointly with one or more other persons. The Bank may act on the verbal, written, or electronic direction of any authorized person.

Access Level	View Account	Internal Transfers	Change of Address	Stop Payment	eStatements	Bill Pay	Mobile Deposit
Basic	X	X	X	X	X		X
Basic Plus Payments	X	X	X	X	X	X	X
Transfer To (Credit Only)		X					
View Only	X		X		X		

11. Access ID and Passcode Requirements. We set requirements for your Access ID and Passcode to access the Digital Banking Service for your protection. Each Authorized Person using the Digital Banking Service is required to have their own Access ID and Passcode.

- a. **Access ID Requirements:**
 - i. Must be between 5-20 characters.
 - ii. May include alpha, numeric, or special characters.
 - iii. It cannot be the same as your Tax ID#/ SSN# or account number with Resource Bank.
 - iv. Access IDs are case-sensitive.
- b. **Passcode Requirements:**
 - i. Must be at least eight (8) characters long.
 - ii. Must contain at least 1 numeric, 1 alpha, and 1 special character.
 - iii. It cannot be the same as your Access ID.
 - iv. Passcodes are case-sensitive.

At any time, we may change Passcode requirements without prior notice. If we do so, you will be required to change your Passcode the next time you sign on to the Digital Banking Service. You agree to protect and keep confidential your Account number, debit card number, Personal Identification Number (PIN), Access ID, Passcode, Security Questions, Answers, or other means of accessing your Accounts through the Digital Banking Service (collectively referred to as Confidential Information). Doing so prevents

unauthorized access to your Accounts and prevents unauthorized use of the Digital Banking Service. If you disclose your Confidential Information or give access to a person(s) or entity, including any data aggregation service providers, to use the Digital Banking Service, you assume all risks and losses associated with such disclosure. You understand and agree that we may restrict and/or terminate access to the Digital Banking Service if we cannot reach you to confirm the validity of any sign-on into the Digital Banking Service.

The use of Credentials will authenticate the identity of the person attempting to gain access to the Digital Banking Service. We may be required to change your Access ID and/or require you to change your Passcode and/or Security Questions occasionally for security reasons. We recommend you memorize your Credentials to prevent unauthorized use of the Digital Banking Service. Any person(s) or entity with access to your Credentials can access the Digital Banking Service and perform all transactions, including reviewing Account information and potentially making Transfers to other Accounts and other persons.

You agree to change or modify your Passcode and/or Security Questions if instructed by the Bank to ensure information security. If you believe your Credentials have been stolen, compromised, or otherwise become known to persons other than you, or if you believe any transaction or activity is unauthorized or in error, please notify us immediately. We may issue you new Credentials as soon as reasonably practicable in any actual or threatened security breach. Still, we shall not be liable to you or any third party for any delay in taking such actions. You agree to indemnify, defend all claims, and hold the Bank harmless from any loss, damages, or expenses, including but not limited to attorney's fees, caused by you, your employees', or agents' failure to keep Credentials confidential and secure.

We reserve the right to limit, suspend, and deny your access to one or more Account(s) or any part of the Digital Banking Service or deny transactions if we reasonably believe your Credentials have been obtained or are in use by an unauthorized person or entity. We may try to notify you in advance but cannot guarantee we will do so.

12. Internal Transfers. Internal Transfers allow you to electronically transfer funds between Resource Bank accounts assigned to your Access ID. You are fully obligated to provide sufficient funds for any payments or transfers you authorize. If you schedule a Transfer for a future date, the transaction will process after the close of business on that date if that day is a Business Day.

13. Bill Pay. Bill Pay schedules payments directly to utility companies, merchants, financial institutions, insurance companies, individuals, etc., within the United States. The Bill Pay Service is accessible twenty-four (24) hours a day, seven (7) days a week for scheduling payments; however, the Bank only processes payments on Business Days. **Note:** The name and address displayed on your Bill Pay items solely depend on how you have enrolled for Digital Banking. For example, if you enroll under your business but have a personal Account listed within the same Access ID, all bill payments, regardless of which Account it is for, will reflect the business name and address.

a. **Service Providers.** We offer you the Service through one or more Service Providers we have engaged in rendering some or all of the Service to you on our behalf. However, notwithstanding that we have engaged such a Service Provider to render some or all of the Service to you, we are the sole party liable to you for any payments or transfers conducted using the Service, and we are solely responsible to you and any third party to the extent any liability attaches in connection with the Service. You agree that we have the right under this Agreement to delegate to Service Providers all of the rights and performance obligations that we have under this Agreement and that the Service Providers will be third-party beneficiaries of this Agreement and will be entitled to all the rights and protections that this Agreement provides to us. Service Provider and certain other capitalized terms are defined in a "Definitions" Section at the beginning of the General Terms. Other defined terms are also present at the end of each set of Terms that follow after the General Terms, as applicable.

b. **Requirements for Enrolling in Bill Pay:**

- i. Account must be in good standing.
- ii. You must be 18 years of age or older.
- iii. You must be a resident of the United States or its possessions.
- iv. You must have a desktop or mobile device and Internet Browser supporting 256-bit encryption.
- v. You must have an eligible checking Account to use as your Bill Pay Account and Billing Account.

c. **Description of Service:**

- i. **Payee Information.** You must provide sufficient and accurate information in the Digital Banking Service to correctly identify your Payee(s), direct your payment, and allow the Payee to identify you as the payment source upon receipt of payment. You must provide accurate information including, but not limited to, Payee Name, Payee Mailing Address, Telephone Number, and Account Number.
- ii. **Scheduled Payment Date.** We anticipate most transactions to be delivered by the Scheduled Payment Date. Due to circumstances beyond our control, such as delays in handling or posting payments by companies or other financial institutions, some transactions may take longer to be credited to your Payee from your Billing Account. Selecting a Scheduled Payment Date in advance of your obligation's actual due date is advised to ensure that your payment arrives on or before your due date and not after. Scheduled Payment Dates must be at least five (5) Business Days ahead of your actual due date to ensure timely delivery for items sent via Corporate Check and Laser Draft.

- iii. **Payment Scheduling.** The earliest possible Scheduled Payment Date for each Biller will be designated within the portion of the site through which the Service is offered when you are scheduling the payment. Therefore, the Service will not permit you to select a Scheduled Payment Date less than the earliest possible Scheduled Payment Date designated for each Biller. When scheduling payments, you must select a Scheduled Payment Date that is no later than the actual Due Date reflected on your Biller statement unless the Due Date falls on a non-Business Day. If the actual Due Date falls on a non-Business Day, you must select a Scheduled Payment Date that is at least one (1) Business Day before the actual Due Date. Scheduled Payment Dates must be prior to any late date or grace period. Depending on the method of payment, your Eligible Transaction Account may be debited prior to the Scheduled Payment Date. For example, if the selected method of payment is a draft check drawn on your account, the draft check arrives earlier than the Scheduled Payment Date due to expedited delivery by the postal service, and the Biller immediately deposits the draft check, your Eligible Transaction Account may be debited earlier than the Scheduled Payment Date.
- iv. **Payment Authorization and Payment Remittance.** By providing the Service with the names and account information of Billers to whom you wish to direct payments, you authorize the Service to follow the Payment Instructions it receives through the site. To process payments more efficiently and effectively, the Service may edit or alter payment data or data formats in accordance with Biller directives.

When the Service receives a Payment Instruction, you authorize the Service to debit your Eligible Transaction Account and remit funds on your behalf so that the funds arrive as close as reasonably possible to the Scheduled Payment Date designated by you. You also authorize the Service to credit your Eligible Transaction Account for payments returned to the Service by the United States Postal Service or Biller or payments remitted to you on behalf of another authorized user of the Service.

The Service will attempt to make all your payments properly. However, the Service shall incur no liability, and any Service Guarantee (as described in the Bill Payment Terms) shall be void if the Service is unable to complete any payments initiated by you because of the existence of any one or more of the following circumstances:

- A. If, through no fault of the Service, your Eligible Transaction Account does not contain sufficient funds to complete the transaction or the transaction would exceed the credit limit of your overdraft account;
- B. The payment processing center is not working properly, and you know or have been advised by the Service about the malfunction before you execute the transaction;
- C. You have not provided the Service with the correct Eligible Transaction Account information or the correct name, address, phone number, or account information for the Biller; and/or,
- D. Circumstances beyond control of the Service (such as, but not limited to, fire, flood, or interference from an outside force) prevent the proper execution of the transaction, and the Service has taken reasonable precautions to avoid those circumstances.

Provided none of the foregoing exceptions are applicable, if the Service causes an incorrect amount of funds to be removed from your Eligible Transaction Account or causes funds from your Eligible Transaction Account to be directed to a Biller which does not comply with your Payment Instructions, the Service shall be responsible for returning the improperly transferred funds to your Eligible Transaction Account, and for directing to the proper Biller any previously misdirected transactions, and, if applicable, for any late payment related charges.

- v. **Payment Cancellation Requests.** You may cancel or edit any Scheduled Payment (including recurring payments) by following the directions within the portion of the site through which the Service is offered. There is no charge for canceling or editing a Scheduled Payment. Once the Service has begun processing a payment, it cannot be canceled or edited; therefore, a stop payment request must be submitted.
- vi. **Stop Payment Requests.** The Service's ability to process a stop payment request will depend on the payment method and whether or not a check has cleared. The Service may also not have a reasonable opportunity to act on any stop payment request after a payment has been processed. If you desire to stop any payment that has already been processed, you must contact client care for the Service in the manner set forth in Section 13 of the General Terms above. Although the Service will attempt to accommodate your request, the Service will have no liability for failing to do so. The Service may also require you to present your request in writing within fourteen (14) days. The charge for each stop payment request will be the current charge for such service as set out in the applicable fee schedule.
- vii. **Exception Payments Requests.** Exception Payments may be scheduled through the Service; however, Exception Payments are discouraged and must be scheduled at your own risk. Except as required by applicable law, in no event shall the Service be liable for any claims or damages resulting from your scheduling of Exception Payments. The Service Guarantee (as described in the Bill Payment Terms) does not apply to Exception Payments.

- viii. **Bill Delivery and Presentment.** The Service includes a feature that electronically presents you with electronic bills from select Billers. Electronic bills may not be available from all of your Billers. Electronic bills are provided as a convenience only, and you remain solely responsible for contacting your Billers directly if you do not receive their statements. In addition, if you elect to activate one of the Service's electronic bill options, you also agree to the following:
- A. **Presentation of electronic bills.** You will receive electronic bills from a Biller only if both: (a) you have designated it in the Service as one of your Billers, and (b) the Biller has arranged with our Service Provider to deliver electronic bills. The Service may then present you with electronic bills from that Biller if either: (1) you affirmatively elect online within the Service to receive electronic bills from the Biller, or (2) the Biller chooses to send you electronic bills on a temporary "trial basis." In either case, you can elect online within the Service to stop receiving electronic bills from a Biller. Electing to receive electronic bills, automatically receiving trial electronic bills, and declining further elected or trial electronic bills all occur on an individual Biller basis. The Service does not include an option to prevent ever participating in the automatic trial electronic bill feature. When affirmatively electing to receive electronic bills from a particular Biller, you may be presented with terms from that Biller for your acceptance. We are not a party to such terms.
 - B. **Paper Copies of electronic bills.** If you start receiving electronic bills from a Biller, the Biller may stop sending you paper or other statements. The ability to receive a paper copy of your statement(s) is at the sole discretion of the Biller. Check with the individual Biller regarding your ability to obtain paper copies of electronic bills on a regular or as-requested basis.
 - C. **Sharing Information with Billers** – You authorize us to share identifying personal information about you (such as name, address, telephone number, and Biller account number) with companies that you have identified as your Billers and which we have identified as offering electronic bills for purposes of matching your identity on the Service's records and the Biller's records to (a) activate your affirmative request for electronic bills, and/or (b) confirm your eligibility for "trial basis" electronic bills.
 - D. **Information held by the Biller.** We are unable to update or change your personal information such as, but not limited to, name, address, phone numbers, and email addresses that the Biller holds. Any changes will require you to contact the Biller directly. Additionally, it is your responsibility to maintain all usernames and passwords for all electronic Biller sites. You also agree not to use someone else's information to gain unauthorized access to another person's bill. We may, at the request of the Biller, provide to the Biller your email address, service address, or other data specifically requested by the Biller for purposes of the Biller matching your identity against its records or informing you about the Biller's services and/or bill information.
 - E. **Activation.** We will notify the Biller of your request to receive electronic billing information. The presentment of your first electronic bill may vary from Biller to Biller and may take up to sixty (60) days, depending on the billing cycle of each Biller. While your electronic bill feature is being activated, it is your responsibility to keep your accounts current. Each electronic Biller reserves the right to accept or deny your request to receive electronic bills.
 - F. **Authorization to obtain bill data.** You authorize us to obtain bill data from your Billers whom you have requested to send you electronic bills and from your Billers that wish to send you trial electronic bills. For some Billers, you will be asked to provide us with your username and password for that Biller. By providing such information, you authorize us to use the information to obtain your bill data.
 - G. **Notification.** We will attempt to present all of your electronic bills promptly. In addition to notification within the Service, we may send an email notification to the email address listed for your account. It is your sole responsibility to ensure that this information is accurate. If you do not receive notification, it is your responsibility to periodically log on to the Service and check on the delivery of new electronic bills. The time for notification may vary from Biller to Biller. You are responsible for ensuring timely payment of all bills.
 - H. **Cancellation of electronic bill notification.** The electronic Biller reserves the right to cancel the presentment of electronic bills at any time. You may cancel electronic bill presentment at any time. The timeframe for cancellation of your electronic bill presentment may vary from Biller to Biller. It may take up to sixty (60) days, depending on the billing cycle of each Biller. We will notify your electronic Biller(s) as to the change in your account status, and it is your sole responsibility to make arrangements for an alternative form of bill delivery. We will not be responsible for presenting any electronic bills already in process at the time of cancellation.
 - I. **Non-Delivery of electronic bill(s).** You agree to hold us harmless should the Biller fail to deliver your statement(s). You are responsible for ensuring timely payment of all bills. Copies of previously delivered bills must be requested from the Biller directly.
 - J. **Accuracy and dispute of electronic bill.** We are not responsible for the accuracy of your electronic bill(s). We are only responsible for presenting the information we receive from the Biller. Any discrepancies or disputes regarding the accuracy of your electronic bill summary or detail must be directly addressed and resolved with the Biller by you.

K. This Agreement does not alter your liability or obligations between you and your Billers.

ix. **Prohibited Transactions.**

- A. Payments to or from persons or entities located in prohibited territories (including any territory outside of the United States); and
- B. Payments that violate any law, statute, ordinance, or regulation; and
- C. Payments that violate the Acceptable Use terms in Section xxi of the General Terms below; and

If the Payment Instruction cannot be completed for any reason associated with your Eligible Transaction Account (for example, there are insufficient funds in your Eligible Transaction Account, or the Payment Instruction would exceed the credit or overdraft protection limit of your Eligible Transaction Account, to cover the payment), the Payment Instruction may or may not be completed. If you wish to cancel the Service, you may contact us as set forth in Section 29 of the General Terms. Any payment(s) that have begun processing before the requested cancellation date will be processed by us.

d. **Bill Pay Processing Payment Methods.** Processed means that the approved payment instructions have been received from the Bank and are now ready to pay the Subscriber's bill in one of three ways.

- i. **Electronic.** The funds for the payment are electronically sent via ACH to the Payee. Funds are debited from the Account on the Payment Due Date specified in the payment instruction.
- ii. **Corporate Check.** The funds for the payment are electronically removed from the Bill Pay Account on the Scheduled Payment Date, and a check is generated and mailed to the Payee. The check is printed with the Subscriber's name, address, Scheduled Payment Date, and payment amount. The date on the check is the Scheduled Payment Date, which is the date the payment begins processing for remittance to the Payee, and the funds are debited from the Bill Pay Account. The check numbers are eight digits in length. The check is void after 90 days.
- iii. **Laser Draft.** A check is generated and mailed to the Payee; the funds are not removed from the Account until the Payee actually negotiates the check. These checks are encoded with the routing and Account number tied in Bill Pay. The check is printed with the Subscriber's name, address, Account number, Scheduled Payment Date, and payment amount. The check number is usually 4-6 digits in length. The check is printed with "Signature on File" in place of the Subscriber's signature. The following statement is printed in the lower right-hand portion of the check: "Void after 180 days."

There are limits on the amount of money you can send or receive through our Service. Your limits may be adjusted from time to time at our sole discretion. For certain Services, you may be able to log in to the site to view your individual transaction limits. Our Service Provider or we also reserve the right to select the method in which to remit funds on your behalf through the Service, and in the event that your Eligible Transaction Account is closed or otherwise unavailable to us, the method to return funds to you. These payment methods may include, but may not be limited to, an electronic debit, a paper check drawn on the account of our Service Provider, or a draft check drawn against your account. The Payment Method for a Payee is subject to change at any time and is determined by the Vendor. Processing dates are determined by the days that the Federal Reserve is open for business and is processing paper or electronic transactions. If the process date falls on a weekend or a holiday, the payment is processed on the business day before the weekend date or holiday. The payment is processed on the same or next business day if it is a direct debit. The Bank does not make the determination, nor do we have control over how bill payments are processed.

e. **Bill Pay Authorization.** By providing us with the names and Account information of the Payees to whom you wish to send payments, you authorize us to follow your payment instructions. Our receipt of your bill payment instructions authorizes us to allow funds to arrive at the designated Payee's locations as near as reasonably possible to the Scheduled Payment Date designated by you. You authorize us to issue a check drawn on your qualified designated checking Account for the requested amount. You also authorize us to credit your Bill Pay Account for payments returned to us by the United States Postal Service or any Payee, or for payments remitted to you on behalf of another Authorized Person. We shall use reasonable efforts to timely and adequately make all of your payments. The Bank is not liable for any service fees or late charges levied against you due to postal delays or processing delays by the Payee. We reserve the right to determine eligibility for certain types of Accounts and change such eligibility from time to time. We also reserve the right to restrict or remove access at any time. If we complete a payment or transfer that you make or authorize and we subsequently learn that you have insufficient funds for the transaction, you agree that we may reverse the transaction or offset the shortage with funds from any other deposit Account(s) you have with us to the extent permissible by the applicable law and the terms of any other relevant agreements. If there are insufficient funds in your Account to make a Transfer or Payment, we may refuse to make the Transfer or Payment, or we may make the Transfer or Payment and overdraw your Account. In either event, you are responsible for any non-sufficient funds ("NSF") charges that may apply. If you do not notify us of any changes, you will be fully responsible for all late fees, finance charges, or other actions the Payee takes. If you schedule a payment and follow all instructions provided,

and the Payee does not receive the payment in a timely manner, we will work with the Payee on your behalf to reverse late fees or charges.
